Subject: information update

Mary,

I hate to bother you with this, but I have not hear back from Gina yet and I want to make sure that MOSES has my correct contact information, so if you could please check it, that would be great. My current address is in the original message to Gina below. Thanks.

Subject: change of address

Gina,

I moved a couple of months ago and called the office to have my address changed. Since that time, I have received nothing from MOSES. I noticed that the newsletters are now on the web, so I'm not sure if anything has been sent via regular mail. Could you please make sure that my new address is in your system and let me know if it is, and if it is not, could you please update it? Thanks.

Sonja Farak
